

## Skate Canada Manitoba Day September or October 2011

---

### **Objectives**

- Primary* Increase Entry Level Membership for the 2011-2012 season
- Secondary* Draw attention to our sport and clubs  
Promote the CanSkate and CanPowerSkate programs as the best Learn to Skate Programs  
Kick start our skating year

### **Who is participating?**

All clubs and regions across Manitoba can participate in this initiative with support from Skate Canada Manitoba.

### **What is Skate Canada Manitoba Day?**

Skate Canada Manitoba Day is an initiative to increase entry-level registration numbers in clubs across Manitoba. The day will run as a demo-CanSkate or demo-CanPowerSkate session. Children will be able to participate in a demo session; the sessions will run like a real CanSkate session.

The focus of Skate Canada Manitoba Day is to promote CanSkate and CanPowerSkate as **fun** ways to learn to skate, **get children active** and involved in **on-ice programs** (figure skating, hockey, speed skating and ringette).

<p style="text-align: center;"><b>THIS IS NOT JUST A REGISTRATION DAY!</b> <b>THIS DOES NOT HAVE TO BE YOUR ONLY REGISTRATION DAY!</b></p>
--

This day should involve demonstration and participation. Children should have a chance to participate in a demo-CanSkate session either on or off the ice. This will give the parents a chance to see what CanSkate is about; 90% movement, progressive learning, positive energy, and a safe and fun environment!

Part of the club's responsibilities is to create hype and excitement surrounding this day. When your community starts to hear about Skate Canada Manitoba Day, then they start hearing that it is happening locally, the buzz and hype can create a great turnout and increase registration numbers for your club.

### Essentials:

- 1-2 hours of ice-time **OR** open floor space where demo-CanSkate session can run (if your club cannot provide ice time, an off-ice open space is JUST AS GOOD!)
- 90% movement
- Circuits and stations
- MUSIC MUSIC MUSIC (appropriate for CanSkate)
- CanSkate Coach
- PA's (3)

**THIS IS NOT JUST A REGISTRATION DAY!  
THIS DOES NOT HAVE TO BE YOUR ONLY REGISTRATION DAY!**

### ***What will happen on Skate Canada Manitoba Day?***

Participants will arrive with the expectation to be able to participate in a demo-CanSkate session (or CanPowerSkate session – whatever your club decides) **either on or off the ice**. Your club coach and available PA's should be on hand to make this day as typical as possible. Children and parents should have a chance to experience how a CanSkate session is run. Your club should provide excited parents with a chance to register their children for the upcoming CanSkate season. Please make sure that your Club Executive members are present to speak to the parents and to provide assistance to the CanSkate Coaches.

Each club's Skate Canada Manitoba Day will vary according to facility availability, location, etc. Make it your own! Your club knows best what will work best! So use your knowledge to your advantage!
