Re: Application Process for Section Level Technical Specialist & Technical Controller

Skate Canada has sent out information regarding the application process for those who wish to be considered for training for Section Level Technical Specialist and Section Level Technical Controller's in Singles, Pairs, Ice Dance and Synchronized Skating.

Skate Canada Manitoba Section is circulating the applications to Manitoba Coaches, Officials, Skaters who may be interested and eligible to apply.

Skate Canada Manitoba's application deadline will be Friday February 26, 2010. This deadline will allow the Officials Committee to review the applications received, in order to submit/forward the successful candidate's names to Skate Canada by their March 15th 2010 deadline.

We would ask all potential candidates to complete 1 form for each level /discipline that you are applying for.

The Skate Canada training will be a 4 day training session and will be held sometime in the summer month's June – August, more than likely out East. Candidates must be available for all 4 days of training.

All applications are to be submitted to the Section Office.

Applications can be emailed to skate.exec@sportmanitoba.ca or fax to 204-925-5924 or mailed to Skate Canada Manitoba, 200 Main Street, Winnipeg, MB R3C 4M2

Applications are also available on our website at www.mbskates.ca
